

26th March 2021

Brampton Ellis

Church of England Aided
Primary School

NOTICEBOARD

Water bottles: please ensure that your child brings their own water bottle to school each day.

PE Day: After Easter our P.E. day will be Tuesday, the lessons will continue to be led by Mr. Allen. Please ensure that children come to school dressed in an appropriate outdoor P.E. kit, which will prevent the need for children to get changed in school.

DIARY DATES

School returns on Monday 12th April. Our start and finish times remain the same, but please note that Friday will be a normal day, rather than finishing at lunch.

HOMEWORK

At the moment, homework is Times Tables Rock Stars and reading. Children have a book to take home and may read their own books too. Reading records will be checked daily - please read with your child at least 5 times per week. Please ensure children are reading at home.

Literacy

In literacy, we have continued our learning about balanced arguments by writing our own. We have linked this independent write with our topic work and the argument has been about the transportation of prisoners to Australia. The children have worked hard to ensure the fors and againsts were balanced and they remained impersonal until the final paragraph. After Easter our Literacy will be linked to our book 'The Re Pyramid'.

Science

We have finished our topic on Electricity this week and the children have really enjoyed using the equipment. There was a lot of frustration around our design for the loop game, but most persevered and some even managed to get them to work. Next term, we have two units, one on Light and one on Classification to complete.

Art

We have finally completed our detailed Islamic patterns and we also used brusho techniques to create our Easter cards. We hope you like them.

Congratulations

Well done Sophie and Emily for winning the Easter Egg and book this week. I hope you both enjoy reading them, whilst eating chocolate.

P.E.

Children are continuing their P.E. with Mr Allen and this week they have been playing cricket. Please note the change to their P.E. day after Easter.

Thank you for all your hard work this term both online and when we returned to class. I hope you have a lovely Easter break and I look forward to seeing you all in 2 weeks time.
